Stock#: BB300B			<input type="button" value="Checkout"/>

Description:

Serves all basic brake systems as well as most imports, domestic trucks, and buses. 0 to 60 PSI pressure gauge range. Built-in heavy-duty safety valve opens at 55 PSI and releases at 25 PSI. Unit has a large four-gal. reservoir. 12' long hose features quick coupler and automatic fluid shut-off valve. Extension handle and three swivel casters provide easy mobility. Includes BB300B29G, BB300B39GC, and BB300B41-G9 Adaptors plus two bleeder hoses, automatic fill nozzle, syringe, fill funnel, and plastic cup. Use only D.O.T. 3, D.O.T 4 or D.O.T 5 Automotive Brake Fluid with this brake bleeder. Do not use any other fluids, oils, chemicals or solvents. The BB300B Brake Bleeder Kit will service domestic and imported cars and light trucks from almost every major manufacturer. See your Snap-on® representative for a full list of automotive applications.
