## **JA-4-5H**

**Multiquip invented the walk-behind power trowel thus we stand behind the quality and longevity of our equipment.**

The JA-4-5H walk-behind trowel comes with a full 1-year warranty and complete product and service support is also included for the life of the trowel. The 36-inch (91.5 cm) Honda-powered JA-4-5H trowel operates with a 60-100 rotor rpm making it ideal for smooth finishes. The trowel also comes with a range of accessories, including grinding attachments to finish surface imperfections, a lifting bale and float pans.
