

## Air. On The Go. NOW!

The 8-ft vertical AirGo™ delivers airflow half the length of a football field, yet is quiet enough to carry on a friendly conversation directly in front of the fan. Fully assembled and no installation, AirGo delivers the breeze without delay – where and when you need it most. On average your AirGo will be in operation within 5 business days of your call. Beat the heat!

### Minimal Assembly

- No installation needed, just attach wheels
- Factory pre-assembled
- OSHA compliant, protective cage

### Mobility

- Indoor/outdoor casters with rubber tread for easy movement
- Simply plug AirGo into any 110 V, 20 A receptacle

### Low Noise

- Even at full speed, conversations can be conducted easily
- 43.2 dBA at maximum speed - AirGo delivers immediate relief without the noise

### Versatility

- Floor-to-ceiling coverage with easy adjustments
- Aim down aisles, over and around obstacles, compact work areas, and low or obstructed ceilings

### Durability

- Powder coated "safety yellow" for resistance to weather and corrosion - indoors or out
- Approximately 6,000 square feet of floor coverage area
- Cooling breeze measured at 140 feet – that's almost half a football field!
