9205 STM

9205 STM Soft-Touch Medium Handle Tool-1/2" and 3/4"

The Soft-Touch Crimp eliminates the un-sightly appearance of tool marks and distortion of crimped rings. The crimping action is effortless as loads are dramatically reduced. These tools can be ordered in many configurations.

- | The Soft-Touch Medium Handle Tools are considered the standard of the industry. The longer length on this tool promotes productivity and minimizes user fatigue.
- | Crimps conform to A. S. T. M. specifications.
- | Tools are supplied with go/no-go gages.
- | High mechanical advantage.
- | 3/4" cavity is located on the outer edge of the tool to access common plumbing applications .
