## RG1625A Super Jr. Stump Cutter

Known as the "SUPER JUNIOR", this machine is America's favorite stump cutter.

- 100% Hydraulic Operation
- 25hp Kohler Engine
- Heavy-Duty Construction
- Quick Stop Cutter Wheel
- Self-Propelled
- Hydraulic Steering

The self-propelled **RG 1625A Super Jr.** goes through 36" garden gates with ease to remove backyard stumps. Features like **RAYCO®**'s exclusive "Quick Stop" cutter wheel, hydraulic steering, and an automatic hill brake make the **Super Jr.** stand head and shoulders above the competition. The **RG 1625A's** front axle pivots to traverse uneven terrain while keeping all tires on the ground.

The **Super Jr.** is particularly useful in backyards or when in tight areas. An optional dual wheel kit provides stability in all conditions. The optional fender mounted chip retainers provide additional chip containment on both sides of the machine.

Select other tow behind products by **RAYCO®**.
