

THE ELIMINATOR®

**Professional
Skid-Steer
Grading
Rake**

 **LOEGERING**

Eliminates Unnecessary Labor

Easy to Use

The Eliminator is easy to operate and simple to learn to use. There are no moving parts and no hydraulic hook-ups.

Loeering's rake attaches to all popular skid-steers and installation couldn't be easier.

The Eliminator® rake "eliminates" manual labor while preparing all types of soil conditions. Go from uncleared lot to finished seed bed with one attachment.

Guaranteed Performance

- ◆ Precision placement allows you to push soil within inches of edges.
- ◆ Perfect along driveways, walks and curbs.
- ◆ Grading teeth create the perfect final grade.
- ◆ Great for removing scrub and small vegetation.
- ◆ Works well in small, tight areas normally requiring hours of manual labor.
- ◆ The Eliminator's scarifying teeth can loosen even the hardest soils.
- ◆ Scarifying and leveling can be done going forward and in reverse.

Sizes to fit your needs

We have the rake to fit your needs. The Eliminator is now available in three different sizes: 42", 72" and 84".
(10668 mm, 1828.8 mm and 2133.6 mm)
