Large Magnetic Swath

Generous Collection Area

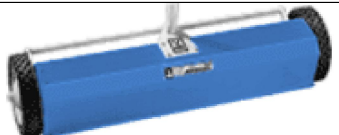

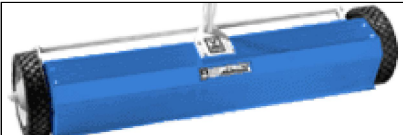

Quick Toe Release

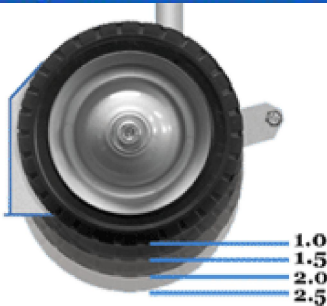

Quick Hand Release

Keep your jobsite from digging it's nails into your cleanup routine with the most innovative magnetic sweeper to come along in years. NailHawg™ uses a state-of-the-art magnet assembly in a durable weather resistant body to ensure this tool stays working on the job for many years to come. Bending and stooping over to clear debris from a magnetic sweeper is a thing of the past. NailHawg™ uses a unique hand/toe release which allows complete control over collection of all the nails into one location for easy disposal.

**Available in 2 rugged durable models designed for years of trouble-free service!**
