Pipe Threaders & Accessories

Model 700 Power Drive

Drive large geared threaders and cut pipe threads with drop head dies through 2".

1/2 HP universal motor and spur gear reduction. Die heads and adapters (not included) lock in. RIDGID model 12R die heads fit without adapter.

Support Arm

Cast iron arm clamps to pipe to stabilize 700 Power Drive.

Recommended for use with pipe over 1" dia.

Support Arm, Cast Iron Construction, Supports Power Drive While Threading, Used To Resist Torque Developed When Threading Pipe Up To 2 In Dia, For Use With Ridgid 700 Power Drive
