## TS 800 STIHL Cutquik®

The new TS 800 is the most advanced STIHL Cutquik® ever produced. It features the amazing X2 long term air filtration system for extended service intervals and a powerful, fuel efficient engine that gets the job done. The TS 800 is well balanced and features a brand new 5 point, dual element vibration control system for exceptional operator comfort. The TS 800 is the right choice for professionals that need to make cuts up to 6" deep.

[Why Buy a STIHL Cutquik® cut-off machine...](#)

[WARNING for all STIHL Cutquik® cut-off machine owners and users](#)

**WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instruction in your owner's manual before using these products.**

**WARNING! Do not use carbide tipped, wood cutting or circular saw blades. They can cause severe personal injury from reactive forces, blade contact or thrown tips. Do not cut wood of any type!**
