Features

- * Powerful 6.5 Amp motor, 16,500 RPM For fast stock removal and a smooth finish
- * Versatile 2-blade system equipped with Bosch Woodrazor™ micrograin carbide blades Woodrazors™ last up to 30% longer than standard carbide blades and resist fractures from nail and staple strikes
- * Ratcheting Depth Knob Allows fool-proof setting of depth increments from 0° to 3/32" (2.6mm) within one revolution, so there is no need to re-zero the depth. Makes deep cuts in one pass.
- * Chip Ejection Switch Directs shavings left or right
- * Bevel Guide Fence Ensures consistent planing from 0° to 45° through entire workpiece. A protective shield covers the section of blade not in use.
- * Spring-Loaded Park Rest Stand Protects blade and workpiece; special shape allows easy start-up in middle of workpiece
- * Ambidextrous Lock-off Release Button Helps avoid accidental starts
- * Can be converted for use with large high-speed steel blades (optional accessories required).
- * Double insulated, UL listed, complies with OSHA
